## BEERS & CIDERS

**St Mungo Lager (Scotland)** 330ml  
A new breed of Scottish Premium Lager. Full-bodied but easy-drinking, St. Mungo is a hybrid between a true Bavarian Helles and a Northern German Pils. Naturally carbonated, its malty sweetness is contrasted by a subtle hop bitterness. Brewed in Scotland in strict accordance with the German Purity Law of 1516, which we believe is simply the best way to make great beer.
